

ASANKA MANOJ MUDANNAYAKA

Digital Marketing & AI Automation Specialist
manomudan@gmail.com Dubai, United Arab Emirates

SUMMARY

Digital Marketing & Brand Growth Specialist with 6+ years of hands-on experience across Google Ads, Meta Ads, LinkedIn, SEO, WordPress, Google Business Profile, content marketing, email campaigns, and creative production. Proven experience across UAE construction, real estate, travel, and hospitality niches. Combines creative execution with performance tracking using GA4, Google Search Console, Semrush, Google Tag Manager, Meta Pixel, and campaign reporting. Focused on reducing CAC/CPL, improving ROAS, strengthening brand consistency, and producing sales-aligned reports

EXPERIENCE

Digital Marketing Specialist

[Dreamland Real Estate Brokerage](#)

Business Bay, Dubai

06/2025 - 03/2026

- Owned and managed the real estate website, social media channels, and Google Business Profile, aligning content with brand positioning and lead-generation goals
- Planned and executed cross-channel digital campaigns on Google Ads and Meta for property listings and real estate projects
- Led end-to-end SEO for real estate portfolios, including keyword research for property types and locations, on-page optimization, technical SEO, and backlink acquisition to increase visibility and inbound inquiries
- Designed real estate marketing creatives including social media content, Reels, ad visuals, landing page graphics, and brochures to support campaigns and maintain a premium brand identity

Digital Marketing Specialist

[Matrix Bldg Waterproofing Fixing LLC](#)

Deira, Dubai

10/2024 - 04/2025

- Owned the website, social media, and Google Business Profile, aligning content to brand and lead-generation goals; delivered +51% year-over-year organic traffic with 18 keywords in Google Top 3
- Planned and ran cross-channel campaigns across Google Ads, Meta, and LinkedIn, optimizing budgets, audiences, and creatives to drive qualified traffic and conversions
- Led SEO end-to-end, including keyword research, on-page fixes, technical hygiene, and link acquisition, improving visibility and inbound lead volume
- Built and executed email journeys including newsletters, promotional campaigns, and nurture sequences with clear segmentation and testing
- Produced monthly funnel reports, translating performance data into action points for sales and management
- Designed marketing assets including social posts, ad creatives, and landing graphics to support campaigns and maintain a consistent visual identity

Digital Marketing Manager

[Travel Soothra](#)

Colombo

11/2023 - 06/2024

- Owned the website content calendar and weekly updates to keep information current, relevant, and conversion-focused
- Planned and optimized paid social lead-generation campaigns on Meta, improving engagement and driving qualified inquiries
- Managed day-to-day community engagement by replying to DMs and comments, triaging questions, and maintaining a consistent brand voice
- Managed Google Business Profile including listings, posts, Q&A, and reviews, while supporting on-page SEO to strengthen local search visibility
- Monitored brand mentions and review platforms, escalating issues and closing the loop with timely, professional responses
- Designed on-brand creatives including social posts, ads, and banners, and built reusable templates to speed up campaign production

Digital Marketing Manager

[CatchMyTours](#)

Colombo

06/2019 - 06/2023

- Owned the website and social channels, publishing SEO-focused content tied to seasonal itineraries and promotions to grow inbound inquiries
- Planned and ran Google Ads, Facebook, and Instagram campaigns, optimizing bids, audiences, and creatives to increase qualified leads and tour bookings
- Built targeted email and remarketing flows including abandoned inquiry, pre-trip, and post-trip sequences, strengthening retention and repeat sales
- Converted online inquiries into confirmed bookings through tailored itineraries, upsell and cross-sell offers, and timely follow-ups
- Collaborated with sales and operations on promotions, landing pages, and pricing tests; reported on CPL, ROAS, and booking pipeline to guide spend and strategy
